"Decade of Fire"

"Decade of Fire"

"A lot of us still believe that we were to blame because that's the only story that ever gets told about the fires... the people in the community burnt it... But we did not burn the South Bronx. In fact, we were the ones who saved it."

QUESTION CHALLENGE

“A lot of us still believe that we were to blame because that’s the only story that ever gets told about the fires... the people in the community burnt it... But we did not burn the South Bronx. In fact, we were the ones who saved it.”
